Cancellation & Refund Policy

Document RW-POL-02 · **Version 1** · Effective 1 January 2025

Scope. This version applies to bookings **made before 1 July 2026, 00:00 IST**. Bookings made on or after that time follow Version 2 of this policy (RW-POL-03). The version is decided by when the booking was made, not by when it was cancelled or when the rental starts.

1. Cancellation by the customer

1.1 The customer can cancel a booking in the RideWise app at any time before the scheduled pickup time. The refund depends on how long before the scheduled pickup the cancellation is made:

Time between cancellation and scheduled pickup	Refund of rental charge
24 hours or more	100%
6 hours or more, but less than 24 hours	50%
Less than 6 hours	No refund (0%)

1.2 The refund percentage is applied to the rental charge actually paid. GST on the refunded amount is refunded in the same proportion.

2. Cancellation by RideWise

2.1 If RideWise cancels a booking for any reason (for example vehicle unavailability or KYC not verified), the customer receives a **100% refund**, whatever the timing.

3. No-shows

3.1 A no-show (see Rental Agreement clause 7) is not a cancellation. **No refund** is given for a no-show.

4. Refund processing

4.1 Refunds are initiated within 3 working days of the cancellation and credited to the original payment method within 5 to 7 working days.

4.2 Security deposits are returned in full on cancellation and are not subject to this refund schedule.

5. Example
