Late Return & Damage Penalty Schedule

Document RW-POL-04 · Version 2.1 · Effective 1 January 2025

This schedule sets out the charges for late returns, low battery on EVs, and damage. All penalties attract GST at 18%.

1. Late return fee

1.1 Lateness is measured from the scheduled return time to the actual return time.

1.2 Each late hour, or part of an hour, is charged at **1.5 times the vehicle's hourly rate**. For example, 20 minutes late counts as 1 hour; 1 hour 10 minutes late counts as 2 hours.

1.3 Customers in some tiers receive a grace period before a late fee applies. Grace periods are listed in Annexure A. If a return is later than the grace period, the grace period does not reduce the lateness: the full lateness is charged as in clause 1.2.

1.4 Late fee examples (vehicle hourly rate ₹100, customer with no grace period):

Returned late by	Hours charged	Late fee
5 minutes	1	₹150
59 minutes	1	₹150
1 hour 1 minute	2	₹300
3 hours	3	₹450
3 hours 15 minutes	4	₹600
